Bring family, friends, Keeshonden, a picnic lunch and enjoy a day of fun, games and education in the company of friends and furry companions.

KCDV has reserved **Greene Grove** at **Washington Crossing State Park** in **Titusville, NJ**. This is a wonderful area with a picnic shelter, restrooms, adjacent parking, large flat grassy areas for doggy games and a children's playground. Come early or stay late and visit this historical site where George Washington and his troops crossed the Delaware River on Christmas Day, 1776. There are many nature trails and a flat trail along the Delaware River for walking those energetic Keeshonden!
